VACANCY NOTICE

FISH HATCHERY SPECIALIST 1
\$2113.00 - \$2724.00 per month (range 30)
Speelyai Hatchery – Cowlitz County

Recruitment #: 1367e-10
Open Date: October 4, 2010

Appointment Type: Permanent
Closing Date: October 12, 2010

POSITION INFORMATION

There is one (1) opening in the Fish Program, Hatchery Division, Lewis/Washougal Complex - Duty station is the Speelyai Hatchery, Cowlitz County.

DUTIES

The Speelyai Hatchery rears Spring Chinook, Kokonee and Rainbow Trout.

Fish Hatchery Specialist 1 (FHS1): Performs a variety of technical and scientific fish culture duties, performs hatchery related maintenance, and participates in an agency supervised fish culture training program. **This is an in-training class. Incumbents must successfully complete the fish culture training program within prescribed time limits to advance to Fish Hatchery Specialist 2.**

Fish Culture; Feeds fish their calculated daily ration; monitors fish behavior, health, egg and fish production; calculates and administers drugs as prescribed; identifies, sorts, and samples species for spawning and adult distribution; cleans ponds and raceways, troughs, and incubator systems, identifies marked adults and collects tags/marks for bio sampling and records data; collects fish tissue and fluid samples; performs fish inventories, splits, marking trailer inventories, weight samples, releases and plants fish.

Recordkeeping and Reporting; Enters data into forms and spreadsheets (e.g. fish mortality, feed sheets, feed inventory, chemical usage); accurately fills out agency forms such as fish transfer tickets, hatchery invoice tickets, etc.

Operation and Maintenance of Facility; Monitors water flow and quality parameters; takes water samples and readings (e.g. dissolved gases, suspended settleable solids, and other parameters as required) maintains proper water flow and rearing environments; responds to alarms; monitors and maintains facility support systems; actively identifies safety hazards and takes action or recommends remedies as appropriate.

Operation and Maintenance of Equipment; Organizes and maintains hatchery tools, equipment, and grounds; identifies and communicates safety concerns (management to staff and staff to management), uses tools and equipment properly and safely.

Public Contact and Communications; Responds to/answers questions from visitors or outside entities in a polite professional manner.

COMPETENCIES:

Knowledge and skills: Computer software such as MS Excel, MS Word; fish culture terminology; calculation methods; and fish production protocols and policy.

Ability: Work cooperatively as a team; ask questions, listen and understand the answers of customer or constituent needs; physically help others in performing activities.

Note: A valid driver's license is required. Some positions require a valid Class A or Class B Commercial Drivers License.

Note: Some positions require a valid Washington State Pesticide Applicator's License.

Fish Hatchery Specialist 1 Duties: *(for any promotional or open competitive applicants)*

Fish Hatchery Specialist 1 (FHS1): **This is an in-training class. Incumbents must successfully complete the fish culture training program within prescribed time limits to advance to Fish Hatchery Specialist 2.**

FHS 1 Minimum Qualifications:

Associate's degree in fisheries technology or closely allied field. OR Three years of education towards a Bachelor's degree in fisheries or closely allied field. OR Successful completion of a fish culture program from a vocational school. OR

Three years of experience performing a variety of fish culture duties in a hatchery will substitute for the required education.

Special Note: This position is covered by a collective bargaining agreement between the State of Washington, Department of Fish and Wildlife, and the Washington Federation of State Employees (WFSE), which contains a "union security" provision. This means that, as a condition of employment you must either join the union and pay union dues, or pay the union a representational or other fee within 30 days of the date you are put into pay status.

- All applicants considering applying for this position should understand and consider that standby is a requirement for all positions in the Fish Hatchery Specialist series. Management may determine it is necessary to assign it in order to accomplish the goals and objectives of the agency and as necessary to protect the resources of the agency and if assigned, it will be a requirement of the position.
- **Standby has been assigned at this time for this position**
- **Agency On-site housing is available at this time for this position**

For additional information regarding position duties, please contact Aaron Roberts, **Lewis/Washougal Complex Manager**, at (360) 225-4390 or Aaron.Roberts@dfw.wa.gov , Kevin Young, **Fish Hatchery Specialist 4** at (360) 225-4394 or Kevin.Young@dfw.wa.gov

HOW TO APPLY (TRANSFER, VOLUNTARY DEMOTION, OR OPEN COMPETITIVE)

If you are interested in this position, you may apply by sending an email to wdfwjjobs@dfw.wa.gov
Your email must be submitted during the posting period and prior to the closing date published above.

TRANSFER, VOLUNTARY DEMOTION, OR OPEN COMPETITIVE APPLICANTS

This position will be filled with a candidate certified from a hiring list of applicants who applied and were determined eligible specifically under this announcement.

Other employees of WDFW or open competitive applicants: You must meet the FHS1 minimum qualifications and be certified from the FHS1 applicant pool. Under this process, a state application must be submitted. *Note: If offered the position at the FHS1 level, the incumbent will serve an in-training appointment and must successfully complete it before advancing to the FHS2 level.*

- *This employment opportunity applicant pool will only be used to fill this position.*

All applications must be submitted to:
